Premier & Grand Cru Burgundy Lovers & Collectors...

Jackson Family Fine Wine Invites You to Oregon Vineyard Royalty

In Honor of IPNC, Jackson Family Fine Wines have decided this would be the perfect forum to unveil their world-class Willamette Valley Pinot Noir to the Public. Some may know, Zena Crown currently supplies grapes to well-known producers in the region, including Penner-Ash, Beaux Frères and Soter Vineyards. Yet, the true introduction will be when you sip, sip more and savor a vertical of our pinot noirs that embrace the perfect combination of landscape, terroir, and winemaking practices. "Zena Crown has a brightness each year that shows through even in a warm early vintage. I believe it's from the effect of the Van Duzer corridor where the ocean breeze is directed inland. The wines from this vineyard will age remarkably well as a result of a higher natural acidity." boasts Michael Etzel of Beaux Frères.

Transportation will depart Bistro Maison in historic downtown McMinnville at 5:15 and move out to Zena Crown Vineyard, where winemaker, Shane Moore and vineyard manager, Ken Kuperman, stresses the importance of estate owned vineyards to the quality of the wines made here. Following, you will be chartered back to Bistro Maison for an elaborate four course dinner prepared by Chef/Owner Jean-Jacques Chatelard. His cuisine is renowned and highly awarded for his soulful cooking rooted in French tradition. The menu is inspired by the season and driven by the finest ingredients the Pacific Northwest offers.

Join us for an outstanding celebration among other discriminating wine consumers and well-traveled diners that have made Bistro Maison their local spot to rendezvous.

Featured Chef: Jean-Jacques Chatelard
